TVAAS Composite: Maury County, All Schools

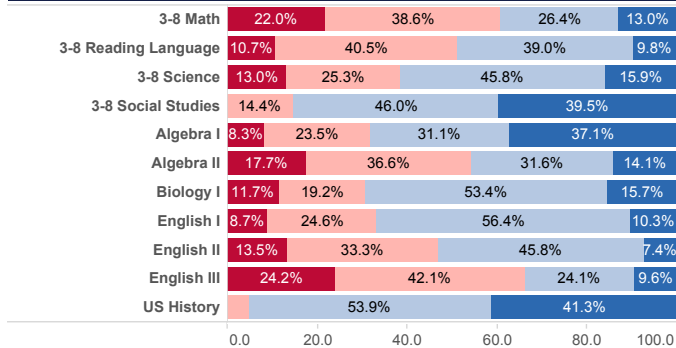

The Tennessee Value-Added Assessment System (TVAAS) is a statistical analysis used to measure the impact of districts, schools and teachers on the academic progress rates of groups of students from year-to-year. The TVAAS Composites listed here are scores that assess growth at the school or district level based on student performance on statewide assessments across all available subjects and grades. For districts that opted to test students in grades K-2 in 2012-13, those scores are included in the composite.

TVAAS Composite scores listed here are based on growth for one year from the previous academic year. The scores are given on a 1-5 scale with 1 being the lowest and 5 being the highest.

The Overall score includes all available data in math, reading/language arts, science and social studies. The Numeracy score includes all available data in math. The Literacy score includes all available data in reading/language arts. The Literacy and Numeracy score includes math and reading/language arts but excludes science and social studies.

■ % Below Basic ■ % Basic ■ % Proficient ■ % Advanced

Achievement: Maury County, All Schools

The Tennessee Comprehensive Assessment Program, or TCAP, is a set of statewide assessments given in Tennessee to measure students' skills and progress. Students in grades 3-8 take the Achievement Test, and high school students take End of Course exams for various subjects. Student results are categorized as below basic, basic, proficient or advanced. Students that are proficient or advanced are commonly considered to be at or above grade level.

Average ACT Composite: Maury County, All Schools

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. All Tennessee students are required to take the ACT in 11th grade.

Graduation Rate: Maury County, All Schools

The Graduation Rate measures the percentage of students who graduated from high school within four years and a summer out of those students that entered the ninth grade four years earlier.
